2011 Census: Queens Park

Population

2001: 12,395

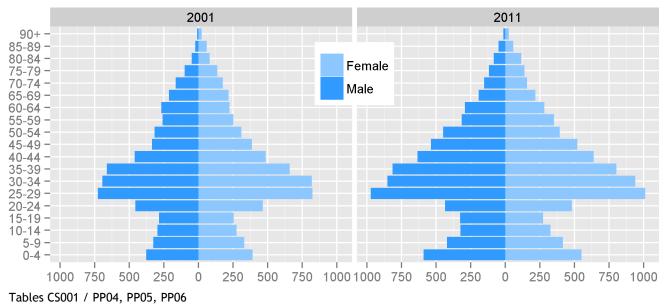

2011: 15,281

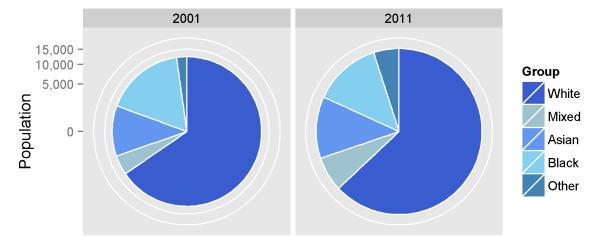

Points of note

- Population increased by a quarter
- Largest "White: British" population
- Most people with no religion
- Most owner occupied households
- Most people with a Level 4 or higher qualification
- Most self-employed full and part-time

Population by five-year age band

Ethnicity

Tables KS006 / KS201EW

Ordnance Survey data © Crown copyright and database right 2013 100025260. National Statistics data © Crown Copyright and database right 2013. Supplied under the Open Government Licence v1.0 and the Ordnance Survey OpenData Licence.

Religion

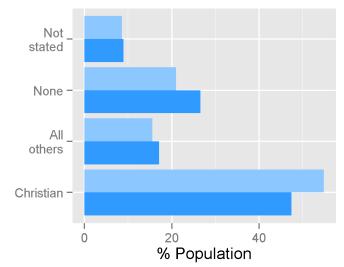

Table UV015 / QS208EW

Named religions are only shown if they make up 10% or more of the population.

Living arrangements

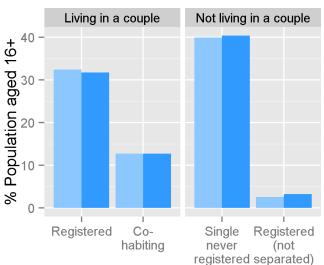

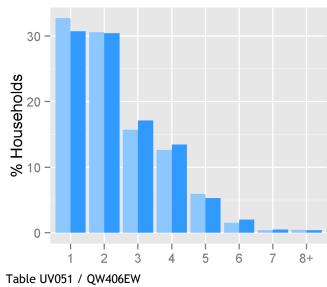

Table KS003 / KS104EW

Registered refers to individuals who are married or in a same-sex civil partnership.

Household size

Tenure

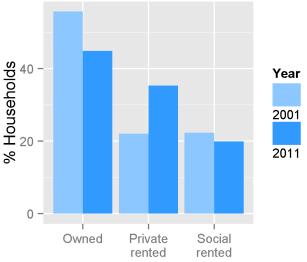

Table UV063 / QS405EW

"Owned" includes shared ownership and "Private rented" includes living rent-free here.

Household composition

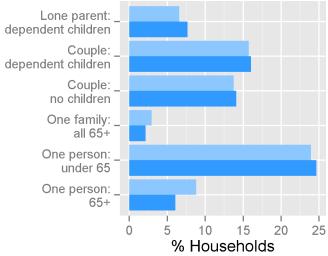

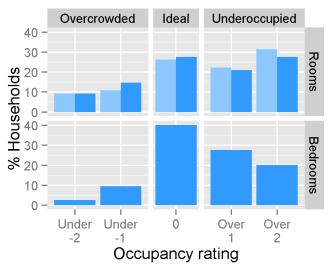

Table KS020 / KS105EW

Couple refers to married, same-sex civil partnership, or cohabiting couples.

Overcrowding

Tables UV059 / QS408EW, QS412EW Occupancy rating depends on the rooms available and the household composition.

General health

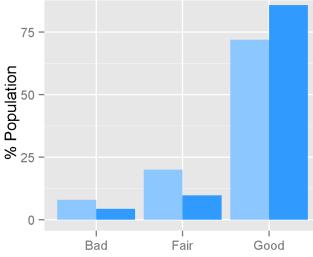

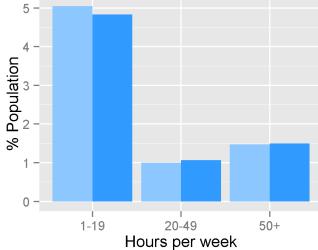

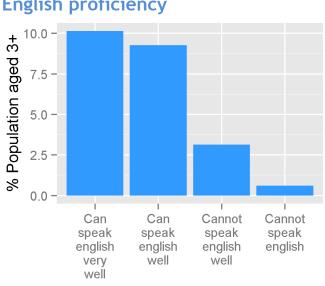

Table UV020 / QS302EW Two levels of good and bad in 2011 are aggregated here.

English proficiency

Highest level of qualification

Providing unpaid care

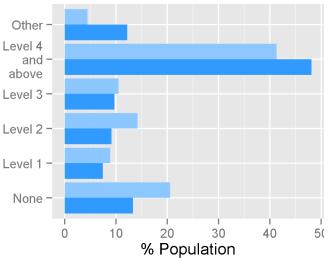

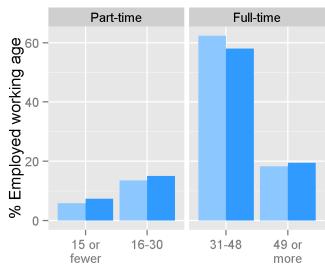

Table QS205EW

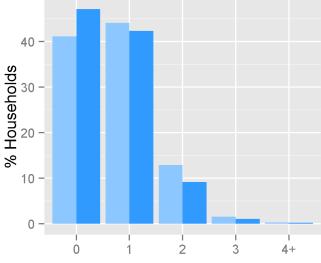

Hours worked per week

Table KS010 / QS604EW

Table UV024 / QS501EW

"Other" includes apprenticeships here.

Car or van availability
